

BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA

Application of Southern California Edison Company (U 338-E) for Order Approving Agreements Restructuring the Negotiated Parallel Generation Agreement Between Southern California Edison Company and Sunlaw Cogeneration Partners I.

Application 98-04-050
(Filed April 24, 1998)

**ADMINISTRATIVE LAW JUDGE'S RULING
ON MOTION FOR PROTECTIVE ORDER
AND CLOSING THIS PROCEEDING**

Southern California Edison Company (SCE) moves for renewal of a protective order that was granted on June 3, 1998. SCE's May 3, 2003 motion argues that the circumstances of its original request for protection remain the same and that public disclosure of such information would place SCE and other utilities at an unfair business disadvantage.

Good cause appearing, **IT IS RULED** that:

1. Southern California Edison Company's (SCE) motion for protective order is granted to the extent set forth below.
2. The unredacted version of the above-captioned Application, which was submitted under seal as an attachment to the original motion for protective order, shall remain under seal for a period of two years from the date of this ruling, and during that period shall not be made accessible or disclosed to anyone other than Commission staff except on further order or ruling of the

Commission, the Assigned Administrative Law Judge (ALJ), or the ALJ then designated as Law and Motion Judge.

3. If SCE believes that further protection of all or part of the information in the redacted material, as specified in the June 3, 2003 ALJ Ruling on Motion for Protective Order, is needed after two years, SCE may file a motion stating the justification for further withholding such material from public inspection, or for such other relief as the Commission rules may then provide. This motion shall be filed no later than 30 days before the expiration of this protective order.

4. This proceeding is closed.

Dated October 10, 2002, at San Francisco, California.
